**Progress
Made
Possible**
*Better Outcomes at
the Intersection of
Behavioral Health
and Criminal Justice.*

Join national thought leaders for a continuing dialogue about community progress on criminal justice and behavioral health.

Keynote Address

**Hon. Steven Leifman,
Miami-Dade County Judge**

Making Strides in Restoring Competency

Judge Leifman has earned national recognition for his tireless efforts to improve Florida's treatment of individuals struggling with mental illness inside and outside the criminal justice system.

Judge Leifman will also lead presentations showcasing the progress made possible in Miami-Dade by better integrating Behavioral Health services and the justice system, pursuing diversion programs and making strides in restoring competency to help people in need and make better use of tax dollars.

Program will also offer opportunity to tour Miami-Dade facilities and ride along with law enforcement Crisis Intervention Teams.

**DECEMBER
3-5, 2017
Miami Marriott
Biscayne Bay
Miami, FL**

Better Outcomes are possible for people and communities at the intersection of criminal justice and mental health care. Communities across America are making improvements in diverting people with mental health challenges away from jails and emergency rooms and into the integrated community-based help they really need.

- * **HEAR** from leaders whose efforts are national models for helping people in need and strengthening their communities;
- * **LEARN** how to build relationships with law enforcement and other community allies to keep focus on getting people to the help they need in the most appropriate settings;
- * **PRACTICAL PRESENTATIONS:** Using Evidence Based Practices to drive policy choices and strengthen relations between public officials, law enforcement and behavioral health consumers, advocates and providers; first-hand community experiences with integrating services; and overview of community experiences around the nation.
- * **SPEAKERS INCLUDE:**
Chief Louis Dekmar, International Association of Chiefs of Police; **Katherine Fernandez-Rundle**, Miami-Dade, Office of State's Attorney Maj. **Sam Cochran** (Ret.), University of Memphis CIT Center; **Nastassia Walsh**, National Association of Counties; **Kelly Jin**, Arnold Foundation; **Hon Steven Reed**, Montgomery County Probate Judge; and many others.

PRESENTED BY:

INSTITUTE FOR BEHAVIORAL HEALTHCARE IMPROVEMENT

The Institute for Behavioral Healthcare Improvement is a not-for-profit organization dedicated to using evidence based practices to produce better outcomes in the treatment of people with mental illness.
